透過 Lunchtime Chats 交流多元文化

語言中心舉辦 Lunchtime Chats，由教師帶領，不限主題，不限人數，於學期間每週定期辦理。鼓勵同學於午餐時間參與英語對話，除可多練習英語會話能力外，亦可認識來自日本、蒙古、史瓦帝尼、印度、中國、聖克里斯多福、聖文森的國際學生，也有印尼和越南喜愛英語學習的同好，藉由用英語聊天的過程，與各國的學生交換意見並分享各自文化、生活及旅遊經驗。戰爭或是衝突常常起源於誤解，此活動讓本國生與國際學生有機會認識彼此文化，透過這樣的平台及活動消弭對於不同文化之間既有的刻板印象，也能讓同學締結良好繫絆。

與當地警政機關共同維護校園安全

東華大學與花蓮縣警察局吉安分局簽訂「維護校園安全支援約定書」，與警政單位共同檢討校外周邊環境安全，加強校園外巡邏，並增設巡邏熱點計 15 處，保障學生於校園外之安全。更與警政單位建立起即時聯繫管道，例如與警政單位建立的「東華校園安全支援聯絡」、與花蓮縣衛生局建立「花衛防疫宿舍窗口」LINE 群組，校內建立「東華防疫網」LINE 群組等。

Inclusion of Cultural Diversity through Lunchtime Chats

Each semester, students join the Language Center's Lunchtime Chats for English talks during lunchtime every week. Led by Center teachers, any number of people may join for any topic to practice their conversation skills while befriending students from Japan, Mongolia, Eswatini, India, China, St. Christopher, and St. Vincent. Students of Indonesian/Vietnamese backgrounds also devoted their time to converse in English and exchange information on culture, life, and travel. War and conflict come from people misunderstanding, this exercise provides a good environment for students of diverse backgrounds to meet each other, which helps eliminate stereotypes toward certain cultures and brings people together on positive ground.

Work with Regional Police for Campus Security

The 'Security Support for Campus' with the Ji-an Police Station of Hualien helps ameliorate surrounding security with police and government authorities and reinforces patrols outside the campus. The addition of 15 checkpoints further safeguards our students outside campus. An instant LINE report system was established, including 'NDHU Campus Security Support Contact' with police and government authorities, 'Dormitory Contact for Hualien Health and Protection' with Hualien Health Office, and 'Dong Hwa Pandemic Prevention Network' within the university.
